Application forms:

Erasmus students are expected to take most of their courses, at least 50% within the agreed areas of studies specified in the bilateral agreement. They are also allowed to take courses in other Faculties (never more than 50%) if there are vacancies and no other restrictions apply.

Personalized application forms will be sent to each student once we have received their confirmations as Erasmus Students from their universities. Therefore, please send us an e-mail to relaciones.internacionales@uv.es or a letter to

Relacions Internacionals
Universitat de València
Apartat de Correus 2085
46071 València (Espanya)

with their data (name, e-mail, passport or identity card number, and field of studies).

Due to the enormous amount of Erasmus students the Universitat de Valencia receives, we kindly request you to send us (**International Relations Office**) the names and above mentioned data of your students. If you are usually in touch with the Area Coordinator and send him/her the names of your students, please remember that we also need them, otherwise we will not be able to generate and send them our own personalized application forms.
